ACID-AWAY[®]
PRO

CAUTION! Combustible

Compressor
Parts Safe

NEW! Ready to use delivery method.

Compressor Burnout Acid Neutralizer

- Quick & easy to inject
- Disposable injector
- Safe for all oils
- Compressor parts safe
- Contractor preferred
- Same proven, chemical formulation

A Quick & Unique Solution

to removing and preventing acid buildup in A/C and refrigeration systems.

Acid-Away® PRO

Compressor Burnout Acid Neutralizer

Code	Description	Qty.
45016	Acid-Away PRO	12

FEATURES

- Quick & easy to inject
- Disposable injector
- Compressor parts safe
- No harmful effects
- Tested to ASHRAE standards 86-1983 & 97-1989 by premier independent testing institute

Application • Chemical treatment for use in air conditioning and refrigeration systems that have experienced a burnout, or operating systems that are showing buildup in acid content • Acid-Away PRO quickly circulates throughout the system and chemically neutralizes acids that are always left in air conditioning or refrigeration systems after a burnout occurs • Once neutralized, the acid can no longer continue developing corrosion impeding it from causing another burnout to the system

Recommended for • Air conditioning and refrigeration systems • Safe for all oils • Acid-Away may be used in either hermetic or semi-hermetic compressors that operate with standard CFC or HCFC refrigerants

Acid Level

Dosage

Light

45 ml of Acid Away PRO for each 2 L of compressor oil volume

Medium

45 ml of Acid Away PRO for each 1.3 L of compressor oil volume

Heavy

45 ml of Acid Away PRO for each 710 ml of compressor oil volume
